

春暖花開，寧靜致遠

Calla Lillies Bloom in Yangmingshan

文圖 | 編輯部

陽明山竹子湖的海芋占全臺產量8成以上，且以白色品種為主，每年3月下旬到4月下旬，氤氳繚繞的純白花海成為陽明山的重要景色，內斂地展現春天的生氣。竹子湖旁還有頂湖

環狀步道、海芋環狀步道及文學步道等多條溪畔步道，讓民眾恣意穿梭在海芋田、山林與小溪之間，大口呼吸清新的空氣，充分享受大自然芬多精的洗禮。

The Zhuzihu area of Yangmingshan produces over 80% of Taiwan's calla lilies. Mostly in the color of white, the calla lilies of Zhuzihu bloom from late March to late April. The sea of white they make is a major attraction

of Yangmingshan symbolizing the splendor of spring. The area boasts quite a number of riverside walking trails—circular or “literary,” which offer a real feast for the eye while on an outing.
