桂花的主要產地在臺北南港、新北石碇及南投名間等地，中秋適逢桂花盛開的時節，其花朵不僅小巧可愛，觀賞性佳，香氣也十分濃郁，只要有一樹桂花開，即便不說十里，前後十幾戶人家都沉浸在花香之中。而除了視覺和嗅覺外，桂花更提供了味覺饗宴，無論是釀酒、泡茶或做成桂花釀都十分迷人。佳節團聚時，不妨將桂花佳餚擺上餐桌，與家人分享滿滿的幸福。

Fragrant olives grow mainly in Nankang in Taipei, Shiding in New Taipei, and Mingjian in Nantou. They bloom during the Moon Festival season. The flowers, small and pleasing, emit a sweet fragrance over a wide area. The flowers can also serve as a very appetizing ingredient for brewing wine, making tea or boiling jam. Foods prepared with the flowers are most welcome at a family reunion.
